

## **Shawna Robinson**

Shawna was first introduced to the hearth industry in 2005 by her husband, Bob Robinson. In 2011, she entered the industry by working with EvenTemp Distribution and Johnson Gas Appliance as a Human Resource Manager. She continued working with EvenTemp in different capacities until 2017 at which time it was purchased by Associated Energy Systems. Shawna continued working with Associated Energy Systems until 2019. Then, in 2020, an opportunity came available to start her own rep business and the following year yet another door opened to work with Rodger and Joe Holland of Holland & Hearth.

In 2017, Shawna had the privilege to serve on the board as Treasurer of SCHPBA. Over her years of involvement with SCHPBA, she has witnessed the many changes of SCHPBA and hopes to continue to serve on the board as long as she is able. Through her work in the hearth industries and her involvement with SCHPBA, Shawna has learned so much and met so many great people and continues to do so.
